is pleased to announce that

**KRISTI ANN MOORE, CPA**

has become a Partner in the firm

Prothro, Wilhelmi and Company, Certified Public Accountants, is pleased to announce that on January 1, 2015, Kristi Ann Moore, CPA, became a Partner in the firm. Kristi joined the firm in August 2012, after having 15 years' previous tax and accounting experience with a local firm in East Texas.

Kristi brings over 17 years of accounting knowledge and tax experience to the firm, predominantly in the areas of tax preparation for individuals, corporations (including consolidations), partnerships, estates, trusts, and non-for-profit organizations. Her areas of practice also include income tax planning, consulting and compliance services.

Kristi graduated with a degree in Business Management from LeTourneau University in Longview, Texas. She is currently a member of the Texas Society of Certified Public Accounts and the American Institute of Certified Public Accountants.

“We are so very pleased to welcome Kristi as our newest partner. Not only is she a CPA with superior tax experience, she has the qualities our firm values that will lead us into the future and serve our clients with excellence,” said Tom Prothro, managing partner of Prothro, Wilhelmi and Company.

Prothro, Wilhelmi and Company has been serving its clients for more than twenty two years. The firm offers a wide variety of services including accounting and reporting services, audits, consulting services, as well as tax planning and preparation. The firm works closely with its business and individual clients to understand their strategies and goals for a customized approach to enhance their financial well-being.
